

## **Establishing Shots**

Project room  
Classroom (Next Rob's office)  
Darkroom  
Somewhere

## **Transition**

Maybe use some function in After Effects to make it.

## **Logline**

I going to introduce the noise monitor that design for Polykids

## **Scene Project room 60 seconds**

I will collection all stuff that the noise monitor need  
I will design the printable case in there

## **Scene Darkroom 30 seconds**

I will solder the circuit in there

## **Scene Classroom 30 seconds**

I will 3D print the case in there

## **Scene somewhere 60 seconds**

I will introduce the noise monitor in somewhere
